# Testimonies from previous webinars/workshops

The Fiqh of Hajj Workshop– on-site (Jan 2025)

*“If anything the workshop was extremely well organised & way above some of the others I have seen/attended. If anything you were too organised - we bought snacks for the kids given the duration but food & a wide variety of refreshments were provided, the Kidmat brothers were very welcoming, smiling & interacting. I will certainly recommend this Hajj workshop going forward. May Allah (سبحانه و تعالیٰ) reward all the teachers & students & the people who support JKN & count you all in the duas on the Day of Arafah. آمین.”*
